## Principal

Dear Parents and Carers,

### Harmony Day

On Wednesday this week West Pymble students and staff celebrated Harmony Day by wearing a touch of orange and engaging the students in a range of activities designed to develop a deeper understanding and appreciation of cultural diversity. Students were also asked to bring in something that exemplified their cultural heritage, maybe a traditional costume, a recipe, a song, a dance, etc. to share with their class mates.

### Parent Teacher Interviews.

These were held in Week 7. Thank you to all the parents who came in to meet with their teacher/s. While early in the year, these interviews are a good way to start to build relationships, for staff to get to know more about your child and for you to find out how your child is settling into their new class. As always, you are most welcome to request an interview at any time throughout the year should you have any issues you would like to discuss as will your class teacher should the need arise.

### Kindergarten Afternoon Collection

Our Kindergarten cohort have settled into school exceedingly well and are showing a great deal of independence and responsibility. It is now time for them to leave class at the same time as all the other children, at 3:10pm, as they are now very familiar with their afternoon routines. You may collect them from the Kindergarten verandah or at the preferred gate to ensure continued growth of independence and resilience.

### Playground

Construction of the new section of the playground is more than half way through and weather permitting, should be finished in a couple of weeks. It is garnering great interest from the students who are eager to use the finished product. The original concept was developed in 2014 and phase by phase we have been working our way through the developments of our “Creative Outdoor Learning Area”, an area that encourages the use of imagination and innovation through play.

### Solar

Our solar project has just been approved by the Department of Education under their joint funding program. We have been working with “Solar My School” and parent Glen Leo to get this project off the ground and it is finally happening! We are meeting next week to determine next steps and start the process. Thank you so much Glen for all your work on this project.

### Toilets

.....and while we are on the topic, we have also been successful in our application for the Metro Renewal Program, a government COVID stimulus program, to upgrade the senior toilets. I know this will make a lot of our senior students feel more at ease about using them. Our Assets Officer visited the school yesterday to look at the scope of works. The Department is now ready to go to tender, so watch this space!!

### National Day of Action against Bullying and Violence

Today, Friday 19 March is National Day of Action against Bullying and Violence or NDA. This is Australia’s key bullying prevention initiative, connecting schools and communities to find workable solutions to bullying and violence.

Bullying is targeted, repeated and usually involves an imbalance of power.

As do all schools, WPPS has a zero tolerance to any forms of bullying or violence. Sometimes it is very difficult to detect, which is why we ask that all members of our school community, parents and students alike, remain vigilant and if you suspect acts of bullying or violence, to report them to your teacher or to me. All reports will be dealt with seriously and in confidence.

I have included a fact sheet from the “Bullying. No Way!” site, which has a wealth of resources available and a number of important links that you may find useful. These resources were developed in collaboration with the eSafety Commissioner.

As part of our PDHPE curriculum, we will be continuing to focus on the different types of bullying and how students can keep themselves safe. This NDA, we are encouraging student voice to be at the forefront of bullying prevention with “Bullying is Never OK!” student engagement activities in every class and at Assembly.

**For primary school students**

**Bullying is NEVER OK!**

**Tips for primary school students who experience bullying**

Bullying is when a person, or a group of people, tries to upset or hurt you. Bullying can make you feel very sad, scared or upset. Bullying can happen anywhere — in person or online. When it happens online it is often called cyberbullying.

**Bullying in person or online might look or feel like someone is:**

- repeatedly saying mean words to your face, teasing you, hurting your body or damaging your things
- hurting your feelings through mean online posts, comments or messages
- spreading lies about you
- leaving you out or ignoring you
- sharing something online that will make you feel bad, like a photo or video that you don't want anyone to see
- threatening to do any of the things on this list.

**No one deserves to be bullied or hurt. You can choose to:**

- treat others how you would like to be treated — with kindness and respect
- include others in games and chats
- only share something about others if they say it's okay.

Developed in partnership

**You have the right to feel safe and be safe. Here are some ideas about what you can do if someone is bullying you:**

- If they are doing it to your face, tell them to stop and then walk away.
- Find somewhere safe and get help from a friend or trusted adult.
- Don't respond if they are doing it to you online.
- Protect yourself online by unfriending them or using privacy settings to block them.

**It's okay to ask for help if you are being bullied or see it happening to someone else. You can speak to:**

- a trusted adult — this could be a parent or carer, an adult friend, or an aunty or uncle who will listen and help you
- your teacher or principal — you can talk to your teacher about the bullying and how to stop it
- your friends — they can listen to you and help you get support
- Kids Helpline — they have counsellors available at any time who will listen and help you work out what to do
- the police — if you are in immediate danger, call the police
- the eSafety team — you can report serious cyberbullying (see the steps below).

**Reporting cyberbullying**

- 1. Keep a record** — An adult can help you take screenshots or keep a record of the cyberbullying. See eSafety's videos on how to take screen shots.
- 2. Report and block** — Most social media services, games and apps have a way to report and block someone. The eSafety Guide shows you how.
- 3. Get help from eSafety** — eSafety can help to remove serious cyberbullying content and get you support. Go to eSafety Kids to learn more about how eSafety can help.

## Message from the Deputy Principal

### Attendance at West Pymble Public School

Students are required to attend school each day the school is open. We have noticed a trend where the number of students arriving late to school is increasing. The playground is supervised by teachers from 8:40am each day.

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

On occasion, your child may need to be absent from school. Justified reasons for this absence may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment

- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g attending a funeral)

Following an absence from school, parents need to provide a written or verbal explanation within 7 days. From Monday 22 March, we will be implementing new procedures where you will receive a letter asking for an explanation if we have not received one within 7 days of the absence. This will include any occurrence where the student has arrived at school after 9:10am.

Good school attendance is a strong predictor of student performance and successful students generally have minimal time away from school. We have been set an aspirational attendance target by the Department of Education of 98% by 2024. Our attendance rate is currently 92.7%. Let's work together to meet our target!

Tim Simpson

### Languagenut

Dear Parents and Carers,

Our school is very lucky to have a subscription to the language learning platform, **Languagenut**. It is a fantastic resource that we use during French lessons from Year 1 - Year 6. It is also a resource that can be downloaded at home for extra French practice. Each student has their own log-in which records their individual progress. Throughout the term, I monitor student

progress and as a reward at the end of term, I print out certificates of achievement!

Practising French at home in this way is, of course, an optional activity. Languagenut is fun to use and it is aimed at encouraging student interest in French and to increase exposure to new vocabulary. Activities cover all skills - listening, speaking, reading and writing, and topics are varied ranging from greetings, numbers, colours, to sports, shopping, animals, weather and many more. Students can practise vocabulary related to class topics at their own pace or they may wish to explore new language. It is up to them!

Thank you for supporting your child's interest in languages. I hope they enjoy learning with this great resource!

Merci beaucoup!

Madame Leddet

## Zone Swimming

Friday 5 March, Mr Simpson and I had the pleasure of taking our representative students to the Ku-ring-gai Zone Swimming Carnival at Homebush Aquatic Centre. All students represented West Pymble with pride and swam their best.

Many students placed well in their heats and broke their PBs. We also had students qualify for the finals including Oscar G (50m Breaststroke, Backstroke, Butterfly) and Daniel M (50m Breaststroke & Backstroke).

Once again congratulations to all the students representing the school and a big thanks to Kerry and David Mellink for all their hard work on the day organising the team.

Mr Tim Simpson and Mr Andrew Noble

## From the Office

Dear Parents and Carers,

A reminder NOT to send children to school if they are unwell, even if they have the mildest flu-like symptoms. Students will need to be tested and provide a copy of a negative COVID-19 test result and be symptom-free before being permitted to return to school.

Students who do not undertake a COVID-19 test will not be permitted to return to school for a 10-day period. Additionally, they must be symptom-free for at least 3 days prior to returning to school.

Kind regards,

WPPS Office

## Volunteer to teach Ethics

**Primary ETHICS** Become a volunteer ethics teacher

# Do something life-changing this year

Teach ethics at West Pymble Public School

**For around an hour a week, you can teach an ethics class at your local school and help children develop skills for life.**

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

In ethics classes, children discuss ethical issues using an approved curriculum designed for each age group and include topics such as Laziness, Voting, How can we work out what's true? and Imagining how others feel.

Volunteers are needed now to teach ethics classes at West Pymble PS. Training and support is provided.
