1 April 2021

## Principal

Dear Parents and Carers,

Can you believe that we are already at the end of Term 1? The time has flown. We have achieved much, the Swimming Carnival, Cross Country Carnival, Easter Hat Parade, Student Leadership Conferences, Kindergarten and some Year 1 assessments in speech, vision, hearing and O.T., an audit, the Kindy party along with all the “business as usual” elements of school and we have developed and written our School Improvement Plan for the next four years, had it signed off by our Director (with her comment “The best I’ve seen.”) and submitted it to the department. The “outward facing” part of the document will be published onto the website today. All this and more, in between juggling COVID’s changing restrictions. We now are looking forward to a restful holiday break.

### Playground Upgrade

The latest phase of the playground upgrade is just about to come to a close. They should be finished today and the equipment and fencing is scheduled to go next week. It is looking amazing and I am sure the children are eager to get into it and play! Many of you know my philosophy on the importance of play particularly in the development of 21<sup>st</sup> Century skills, preparing our children for their future (communication, collaboration, critical thinking and problem solving, creativity and curiosity) along with many other skills and abilities. Our Creative Outdoor Learning Space will provide just such a space that is conducive to this development. It is bringing the classroom outside and utilising our beautiful environment to the benefit of students and teachers alike and for all sorts of learning. As Plato said, “Play is the work of the child” and aren’t we all children at heart!

### Baby News

We wish Mrs Emma Bonouvrie much love and the very best of wishes as she leaves us today to go onto Maternity Leave. We are looking forward to the news of the safe arrival of her happy and healthy little bundle of joy sometime over the next few weeks. This last semester, Ms Emma Smales and Mrs Bonouvrie have been job sharing on Kindergarten while both have been on part-time Mat Leave and now that Mrs B is taking full-time Mat leave, Ms Smales will be coming back full-time.

### Australian Early Development Census (AEDC)

Every three years, the Australian Government conducts a census to collect data on early childhood development that measures the progress of children as they start their first year of schooling. The information collected helps shape the future and wellbeing of our children by providing evidence to support education, health, policy and community planning at the national, state, community and local level.

The census involves teachers of our Kindergarten children completing the Australian version of the Early Development Instrument in a secure online data collection system. The questions in the instrument relate to five key areas of childhood development and are based on observations during Term 1. Children do not need to be present while the teacher completes the instrument and will not miss any class time. All data entered by the teacher is secure and is de-identified before reports are made public.

A Parent Information letter will be sent out at the start of next term.

The website [www.aedc.gov.au](http://www.aedc.gov.au) will provide further information.

### Year 5 Opportunity Class (OC) Placement Assessments 2022

All Year 4 students have received an Information letter for Parents regarding the OC tests. If you are interested in having your child sit for these tests, please advise us via the tear off slip on the bottom of the letter. All applications are online.

Late applications will not be considered. Should you not have received your Parent Information letter please contact us.

Tim Simpson

Important dates are as follows:

- Tuesday 20 April 2021: Online applications open
- Friday 7 May 2021: application site closes
- Wednesday 21 July 2021: Opportunity Class Placement Test. You must apply online at the address below if you are interested.

### Cross Country Carnival

A great day was had by all! Thank you Miss Feltscheer for organising such a wonderful event and how lovely to see many parents back on site enjoying the day also. Champions will be recognised along with the swimming champions in the Term 2 Recognition Assembly.

Best wishes for a very restful and relaxing Easter break and we will see all students back and ready for Term 2 on Tuesday 20 April 2021. Students may start wearing their Winter uniforms with the full changeover to Winter uniform by Week 3 (3 May).

Have a safe and happy holiday,

Bronwyn Wilson

Principal

## Message from the Deputy Principal

### Rebel Sport

Did you know?

We are proudly partnering with Rebel in their Rebel Community Givebacks program which entitles our school to receive 5% of all our members' purchases at Rebel back as credit to spend in store on sports equipment or team wear! To support our school all you need to do is join the Rebel active loyalty program and link your member account to our school next time you visit your local Rebel store. A friendly team member can help you do this in store and you'll also receive some great benefits like exclusive member offers and access to VIP experiences, rewards and competitions for being a Rebel active member. Just remember to swipe your Rebel active loyalty card in store or log into your account online when making a purchase at Rebel and our school will receive 5% back as credit to spend on sports gear!

West Pymble Public School has been participating in the Rebel Community Givebacks program for a number of years now which has enabled the school to replace outdated sports equipment for both the school sport program and various PSSA teams.

Thanks for your support.

Thank you for supporting the students and teachers in implementing our PBEL fortnightly focus. This is an example of one class' expectations. Each class will have their own unique expectations. These will change throughout the year.

Happy Easter

### GRIP Leadership Conference Tuesday 23 March 2021

Last Tuesday the West Pymble School Leadership Team, accompanied by Mr Simpson, attended the GRIP Leadership Conference at the Sydney Olympic Tennis Centre. It was an amazing experience to learn how to become a better leader. There were more than 750 students and 100 schools participating in the annual event. One of the most important things we learned is knowing when it's your time to lead by your traits and skills.

We found out that GRIP stands for different qualities that are all related to leadership. The G stands for Generosity – being generous is very important for leaders, you need to listen to other people's ideas as well as sharing your own because your ideas might not always be the best. The R stands for Responsibility – a responsible person is trustworthy, dependable and treats others fairly by doing the right thing. The I stands for Integrity – which is living your life honestly, taking pride in things and helping others in need. The P stands for People – which is about everyone.

We had the chance to work with and bounce ideas of leaders from many other schools. We were a bit nervous at first but we really enjoyed it by the end. Talking to and working with people you don't know is an important leadership skill. We all gained so much from the conference and feel very privileged to attend on behalf of the school.

The school leadership team.

### National Leaders Day

On the 25th of March 2021, the school captains and vice captains went to the national leaders day at Sydney Convention Centre. Here is your review:

The captains were so fortunate to be able to attend this spectacular conference. We learnt so much from Lachie Smart, Anastasia Woolmer, Jimmy Rees and David Campbell about practicing resilience and learning from our mistakes. Thank you to Mrs Wilson, Mr Bedford and everyone else who helped organise this on the behalf of all of us.

Anzac Ceremony

### Cross Country

We had a great Cross Country on Tuesday 30 March.

## Historic opportunity for students to influence school and education policies in NSW

Students in public schools now have a unique opportunity to help shape and influence inclusive and positive change in NSW by becoming a member of the Education Minister's Student Council.

The first council of 24 students from throughout the state is now being formed, and applications are open for students from Year 6 to Year 11 until Wednesday, 4 April 2021.

Members will have direct input and influence on education and school policy through discussion and consultation with the Minister and key NSW Education stakeholders.

A diverse range of student voices and experiences is being sought to contribute to the council's directions and operations.

The council, known as DOVES (Department of Student Voices in Education and Schools), will meet virtually twice each term, with the Minister invited to attend.

Students decide the exact setup of council meetings, the issues to be discussed and what the NSW Government can do to make our state the best education system in Australia.

To apply for council membership, students are asked to submit a one to two-minute video, saying who they are, what they are passionate about in schooling and education, and why they want to be part of DOVES.

More information about DOVES and the application process is available at <https://education.nsw.gov.au/student-wellbeing/student-voice/minister-s-student-council/apply-to-be-involved#Video1>

Please remember, applications close Wednesday, 4 April 2021.

## Sports

### PSSA

Last Friday, PSSA Cricket and T-Ball finished their last round before a break over the winter period. Both Junior and Senior Cricket teams had wins against Lindfield Public School and the Senior team have been undefeated so far in the competition. The Junior and Senior T-Ball teams played against St. Ives last Friday. The Seniors won and the Juniors had a narrow loss in a very close game. Looking forward to the beginning of Soccer and Netball in the Winter PSSA season which starts in Week 3 of Term 2!

Volunteer to teach Ethics

**Primary ETHICS** Become a volunteer ethics teacher

**Do something life-changing this year**

Teach ethics at West Pymble Public School

**For around an hour a week, you can teach an ethics class at your local school and help children develop skills for life.**

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

In ethics classes, children discuss ethical issues using an approved curriculum designed for each age group and include topics such as Laziness, Voting, How can we work out what's true? and Imagining how others feel.

Volunteers are needed now to teach ethics classes at West Pymble PS. Training and support is provided.

# After School Activities At West Pymble Public School

## Active and Creative Kids Program

The NSW Government is helping kids get active with the new Active Kids and Creative Kids program.

Parents, guardians and carers can apply for a voucher valued up to \$100 per calendar year for each student enrolled in school.

The Sports voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities.

The Creative voucher may be used with a registered activity provider for registration, participation and tuition costs for creative arts, speech, drama, dance, digital design, coding, and music lessons and activities.

The voucher can be used at any time during the calendar year it was issued. Apply online through [www.service.nsw.gov.au](http://www.service.nsw.gov.au).
