## Principal

Dear Parents and Carers,

\*\*\*\* STOP PRESS \*\*\*\* STOP PRESS \*\*\*\* STOP PRESS \*\*\*\*  
 STOP PRESS \*\*\*\*

This just in from a resident of Killara who was walking her dog near Koola Park where our girls are playing PSSA Soccer. She wanted to let me know that our girls are the most polite, well-behaved and delightful students and whatever we are doing here at West Pymble we are doing a great job so keep it up. Congratulations to those girls, we are very proud of you, as usual.

### Return to West Pymble in 2022

It is that time of year again, when we are starting to prepare for the coming year. Much of our planning revolves around our enrolment – entitlements which include numbers of teachers, office staff, library time, RFF time, part-time teacher allocation and other areas of our annual budget. If your child/ren will not be returning to West Pymble PS in 2022, please complete the form in this issue of the newsletter and return it to us as soon as possible. Your prompt attention is very much appreciated.

### New Student Orientation

Our next Orientation event, the Parent Information Evening, will be held on Thursday 5 August in the Kindergarten rooms, COVID permitting. Hope to see you there.

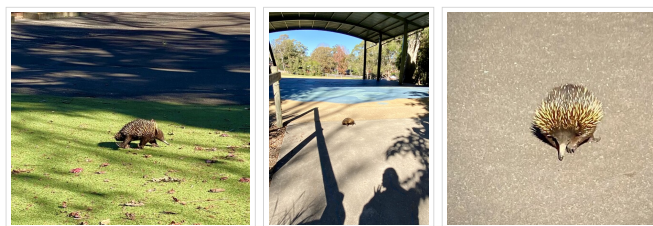

If you have not yet done so, we encourage you to enrol now via the online enrolment process which should be much easier than ever before.

The Department will very soon upgrade the online system to cater for out of area applicants to be able to enrol online. Previously, all out of area applications were required to be paper based. This upgrade should make the process even easier.

### Echidna Sightings

Our lovely little echidna has been spotted again this week on the school grounds causing much excitement amongst the children ...and the staff too. I think she rather likes it here! That is three sightings in about as many weeks. Enjoy viewing our Echidna Gallery.

### Reports

Semester 1 Academic Reports have been issued to the students this week to take home. These provide a comprehensive analysis of your child's progress to date. Our school reports are prepared by using both formative and summative assessments conducted throughout the semester, informing teachers' professional judgments. The format of our reports has undergone a slight change from pre-COVID times in that achievement is now viewed as a continuum from Working Towards through Working At to Working Beyond. It depends exactly where on that continuum your child sits as to the final A-E scale they are given. For example, a child may be deemed consistently Working Beyond in a given area, but can be

awarded a final A or B according to where on the continuum they sit. Efforts and Attitudes to Learning do not contribute to overall achievement grades.

*It is important to note that students working at the Sound or 'C' level of achievement are working at the level expected of them for the current point in time, within their relative grade.*

Please enjoy sharing the Semester 1 Report with your child, celebrate their growth and success together, look at their Learning Goals for where to next. As always, should you have any questions regarding your child's academic progress, please don't hesitate to make an appointment with your child's teacher.

### Recognition Ceremony

Our Term 2 Recognition Ceremony was very well attended with 14 students awarded their Gold Medallion, Swimming Champions, Cross Country Champions and two teachers were recognised for their achievements. Mrs Elliott received a Certificate for 30 years of outstanding service to the children of NSW public schools and Mrs Greenwood received her certificate acknowledging her Accreditation with the NSW Institute of Teachers. Congratulations to all. Our Combined Band was able to showcase their newly acquired skills with a rendition of "Havana" and "Big Foot Stomp". This was their first performance in about 18 months so it was a treat seeing them all back on stage again. Thank you to our wonderful P&C for supplying refreshments and thank you to all who attended, students, parents, visitors and staff, to make this ceremony, our first in about 18 months, a very special one indeed.

### COVID Restrictions

Unfortunately most of our end of Term 2 activities involving parents and carers have had to be cancelled. Fortunately the Sausage Sizzle was able to go ahead. It always seems to happen when we are just about to embark on holidays. I know many of you will have to curtail your plans as have many of our staff.

Please have a restful and relaxing holiday and we will see you all back, hopefully with restrictions eased, on Tuesday 13 July. Staff return on Monday 12 July for a Staff Development Day.

The phone numbers for any issues involving safety and security are School Security 1300 880 021 and Hornsby Police on (02) 9476 9799 if you have any concerns.

Thank you once again for your ongoing support, continued patience and efforts during this time.

Have a safe and happy holiday,

Bronwyn Wilson

Principal

### PSSA Representative Pathway

Did you know that the representative pathway in the Primary School Sports Association is the largest gifted and talented program within the Department of Education? West Pymble PS is a member of the Ku-ring-gai Zone, one of 12 that belongs to the Sydney North School Sports Association. This region is the largest in New South Wales, comprising 80,000 students from the northern Central Coast to the Harbour Bridge and all the way to the Northern Beaches.

I have had the opportunity to convene and coach the Sydney North Girls Football Program since 2013. Last week the NSW PSSA Championships were held at the home of the Western Sydney Wanderers in Rooty Hill. 14 Regions from around New South Wales competed in this tournament including teams from both the Catholic and Independent School sectors. Sydney North won all six pool games ranging in scores from 3-0 to 15-0 and as a result, qualified in first place from the group. Sydney East were the semi-final opposition and after a gruelling game, Sydney North came out winners after extra time. Combined Independent Schools (CIS) were the grand final opponents in what proved to be a very close contest. Sydney North scored a goal early in the first half to settle the nerves. They held on in a nail biting second half to win the game 1-0 and be crowned NSW PSSA Champions for 2021. At the conclusion of the presentation, a NSW Merit

Team was selected with three Sydney North players included in recognition of their outstanding play throughout the tournament.

I'm looking forward to the 2022 NSWPSSA Championships which is due to be held in either Mudgee or Dubbo.

Term 3 looks to be jam packed yet again with numerous exciting programs and events for our community. I would like to wish everyone a safe and relaxing holiday.

## K-2 Athletics Carnival

Last Thursday, the sun behaved itself and the students in K-2 enjoyed their Athletics Carnival! We were thrilled to see so many families cheering from the sidelines and staying for a picnic on the oval. Even at the end of a long and busy term, many thanks to our wonderful K-2 team (and Mr Stewart) for a superhuman effort to put it all together.

Please enjoy some of the students' information recounts about the day.

Mrs Favell

Yesterday was the K-2 athletics carnival. First we did war cries then the running race and the last running race was the marathon race.

Then it was the picnic lunch. It was on the school oval. I came fourth in the running race. I am in Wyuna.

Next we had the novelty events. First we did rob the nest, next we did tug-o-war, vortex, over, under, egg and spoon race, the last novelty event was the sack race.

My favourite novelty event was over, under. We cheered on Wyuna.

By Meeka N

Yesterday it was the K-2 athletics carnival. First was the war cries, second we had running races.

I came fourth, next it was lunch. After lunch we did novelty events. We did tug-o-war, rob the nest, vortex, sack race, egg and spoon and under over.

My favourite was tug-o-war.

By Elliott H

Yesterday it was the K-2 athletics carnival on the oval.

First we had the war cries for my house. My house is Bangal. Next we had a running race and after it was lunch. We ate food with our parents and after lunch it was the novelty events.

We had tug-o-war, vortex, sack race, over, under and egg and spoon race.

By Riyansh S

Yesterday all K-2 students enjoyed a fun day at the Athletics Carnival.

First we had class races and they called out classes to come and race. During the marathon, K-1 ran one lap around the oval and Year 2 ran two laps. After this, the pre-schoolers had a race.

After the races we had a picnic lunch. My mum and dad came and they gave me some juice and some chips. I also had a cheese and bacon roll and after this I got a juice cup from the canteen.

In the afternoon we played games. Tug-o-war is where you try to get a blue knot past a yellow cone. The sack race is where you get in a sack and jump as fast as you can to a cone and back. Vortex is when you throw a vortex as far as you can and the egg and spoon race is where you get a spoon and put an egg on it then race to a cone and back again. Rob the nest is where you have a hoop nest and there is a nest in the middle with lots of bean bags. One at a time you race to the middle to collect bean bags and when they are gone you can start robbing from other teams. At the end we count how many bean bags.

I liked the fact that Ash got first in the class race and the marathon race!

By Daniel W

Yesterday we had the K-2 Athletics Carnival. We did lots of fun games and hard races.

During the activities we did the egg and spoon race and my team was very fast! We won three times in a row. We also did vortex throwing, but unfortunately I didn't get it over the line. Sadly Mrs Favell got hit!

When we did the marathon, Lucy came first, I came second and Kara came third. It was very hard! We also did 70 metre races where Kara came first, I came second and Emer came third.

Some parents came to watch the races and had a picnic with their kids. My dad came but I couldn't find him so I just sat with Kara, Grace and Nina.

My mum was really proud of me for going in all the races.

By Anika L

Yesterday was the K-2 Athletics Carnival and there were so many things to do, it was amazing!

First we had some races. There were the class races which weren't very long. Then we had the marathon which was two laps of the oval, I was exhausted! The last race was for the pre-schoolers which was very cute to watch!

After we did all of the races we had a picnic lunch. Isla's mum said I could sit with Isla and her sister to eat lunch.

After lunch we did six different activities altogether as a class. There was a very good game of tug-o-war with lots of falling. There was also good games of rob the nest, sack races, over and under, vortex and egg and spoon races. My favourite was the sack races because I kept falling over!

After the whole day was over we were exhausted and Mrs Favell got some cushions and put a movie on for us so we could just chill.

We all had so much fun and I loved it!

### Band Camp

Three weeks ago we went to Band Camp and it was the best! The weather was chilly but the rain stayed away. The cabins were warm and comfortable and we got to spend time with our friends.

We all played our instruments til our mouths and fingers were sore. We learnt to play more confidently and figure out new notes. It's great to see what you and your instruments can do.

A favourite part was being able to play new music for the first time. It was fun getting the notes right and finding the right tune and in the end we made a song.

We also did fun activities. Our group did a challenge course that was all about teamwork - showing us that when we work together we can reach our goal but also make new friends and have more fun along the way. This is exactly like playing music. As a band we need to listen to each other's parts and work together to make great music.

Thank you to Matt and the tutors, Mrs Wilson and all the parents involved for making band camp so much fun!

### Some Interesting Facts

- On average, Australians produce more than 2kg of waste per person every day - this is the second highest amount in the world behind the US!
- In Ku-ring-gai we collect about 20,000 tonnes of waste each year and 30,000 tonnes of recycling, but we can do better - about 1,600 tonnes of recyclables such as paper and steel cans still wind up in landfill.
- Australia leads the world as the number one recycler of old newspapers, recycling over 70 per cent.
- By recycling one aluminium can you're saving enough energy to run your TV for three hours.
- Each cardboard milk carton can be recycled into five sheets of office paper.
- It takes about one million years for a glass bottle to break down in landfill.
- Producing new plastic from recycled materials only uses two-thirds of the energy required to make plastic from raw materials.
- The most common form of hazardous waste generated by Aussies is in the form of batteries.

## From the Office

# ENROL NOW FOR 2022

Dear Parents and Carers,

It's now time to enrol your child/ren for Kindergarten next year. If you know someone considering enrolling please direct them to the website.

Students return for Term 3 on Tuesday 13 July.

Please ensure your children's clothing is labelled and encourage them to look after their belongings.

Have a wonderful, safe and well-needed break.

Kind regards,

WPPS Office

### Spellathon

We are thrilled to let you know that the spellathon raised over \$8000! A huge thank you to everyone involved - the students for their participation, the sponsors for their generosity, the parents and carers for their support and the teachers who made it all happen!

The money raised will go towards:

- The Honour Project - purchasing blazers for our school captains to wear when representing the school, as well as updating the honour and national anthem boards in the school hall
- Supporting the band program so it continues to deliver an outstanding music program
- Completion of Maddie's Garden - a memorial to former student Maddie Gladen and a quiet outdoor space for students to enjoy

Our awesome pizza party winners were 2W and 4J for most correct words and KSB and 3N for most money raised. We hope you enjoyed your parties!

Well done to all the classes who did an amazing job at learning their words and raising money for our school!

### Happy holidays!

We wish everyone in our wonderful school community a happy, safe and restful break and we look forward to seeing everyone again for a fun filled term three!
